

## **FOR IMMEDIATE RELEASE**

### **Physicians & Surgeons Amateur Golf Association Welcomes Dr. Adam Magnus to Its Esteemed Board of Directors**

*Chicago, IL – October 16, 2023*– The Physicians & Surgeons Amateur Golf Association (PSAGA), the nation's leading organization celebrating and promoting the golfing talents of medical professionals, is thrilled to announce the latest addition to its board, Dr. Adam Magnus. An anesthesiology and pain medicine specialist with a multi-specialty group in Frederick, Maryland, Dr. Magnus brings with him not only a profound medical background but also an infectious zeal for golf and life that resonates with PSAGA's core values.

Dr. Magnus completed his residency at the prestigious New York Presbyterian Hospital – Weill Cornell Medical Center. However, his expertise isn't confined to the operating room. He is an avid golfer whose favorite local haunt is the Maryland National Golf Course. He has faced the rigors of the Bethpage Black Course, renowned for its difficulty, and dreams of playing the lush fairways of Pebble Beach. With a preference for his trusty 9 iron and an ambition to refine his short game, Dr. Magnus embodies the continual self-improvement spirit at the heart of every dedicated golfer.

“Dr. Magnus’s passion for golf, coupled with his dynamic personality and diverse interests, makes him an ideal fit for our board,” said Wendy J Weiser, Executive Director of PSAGA. “His multifaceted experience in healthcare and on the green brings invaluable perspective to our association.”

Beyond the fairways, Dr. Magnus is a true Renaissance man. An outdoors enthusiast, he enjoys fishing, kayaking, hiking, and has a deep-seated love for all sports. A family man devoted to his wife and two teenage daughters, he also boasts a creative side: he acts, sings, plays the guitar, and has become a TikTok sensation.

PSAGA’s mission aligns perfectly with Dr. Magnus’s lifestyle: promoting well-being and professional growth among physicians through golf. Our unique platform enables members like Dr. Magnus to connect, unwind, compete, and even earn CME credits. With a series of events culminating in the PSAGA Masters Championship tournament, our members showcase their skills, vying for the title of the nation's premier physician golfer.

Please join us in welcoming Dr. Adam Magnus to the PSAGA board. His energy, expertise, and enthusiasm for golf and life are sure to invigorate our events, enhance our community, and inspire physicians nationwide.
